

Cliff Hughes

**Big business experience
and a passion for Millwall.
Vote for me to be your
voice on the board.**

Just like you, I care about the future of our club. The fans voice deserves to be heard in the boardroom, deserves to make a difference. I am here to give my time, my energy and my big business experience to get our voice heard, to make that difference.

I have supported Millwall all my life. So did my Dad and his Dad too. I attend almost every game, home and away. I have your passion.

I know how to make my own boardroom knowledge count. I know how to represent the fans views, how to make a difference to the future of our club.

I believe that we need to know about the board's plans for the future. We need to know much more about the regeneration project and about how we can make sure our club survives and grows.

I believe in the values that make Millwall fans special – mutual support, humour, family, friendship, shared memories – and that the club we know and love ceases to exist without these.

I believe that it is in the interest of fans and the business interest of the Millwall Football Club to quickly resolve the current mistrust.

Look at all of the candidates, their strengths and their weaknesses. We all have your passion. Is passion enough? Think about the impact of each of the candidates in the boardroom.

Do they know how to be effective in the boardroom? Do they know how to make a difference?

I have been there. I know how it works. I can offer you my boardroom experience, my understanding of how to make that difference, and my full time commitment on top of a lifetime supporting Millwall.

If you care enough to vote, vote wisely, vote for me, vote for Cliff.

See www.thelionstrust.co.uk for my CV, my manifesto and how I will make that difference.
